

Australian Marksmanship Services

Goulburn, New South Wales
Australia

Phone: 2 9037 0755

Australian Marksmanship Services provides expert feral animal control across New South Wales, delivering effective and ethical wildlife management solutions for rural, commercial, and government clients. Our licensed professional shooters are highly trained to manage pests such as feral pigs, deer, foxes, and wild dogs, ensuring safety, compliance, and minimal environmental impact. Trusted by farmers and landholders, AMS is committed to responsible pest control through precision, experience, and professionalism. Website:
