Wynker Bros Exteriors is a family-owned and operated metal roofing company based in Chilliwack, BC, proudly serving residential, commercial, and agricultural clients throughout the Lower Mainland and beyond. With over 18 years of experience, we specialize exclusively in premium metal roofing systems—including Standing Seam, Snaplock, and custom curved panels—engineered for long-lasting protection, aesthetic appeal, and exceptional performance in BC's diverse climates. As a full-service provider, we fabricate all our materials in-house, giving our customers complete control over design, colour, panel width, and seam height. This factory-direct approach eliminates middleman costs and ensures precision, consistency, and superior quality. Wynker Bros offers complete roofing solutions: installation, custom fabrication, on-site roll forming, chimney caps, and supply-only options for contractors and builders. Our roofs are compatible with solar panel systems, resistant to moss and mildew, and backed by a 40-year product warranty plus a 10-year workmanship guarantee. We're proud to serve clients in Chilliwack, Merritt, Langley, Abbotsford, Maple Ridge, and all major cities throughout BC's Lower Mainland. Financing options are available with fast, flexible approvals, making it easier for homeowners to invest in a roof that lasts a lifetime. At Wynker Bros Exteriors, every project is handled with professionalism, attention to detail, and genuine care. Whether you're looking for a high-end metal roof for your home, farm, or commercial property, our team is committed to delivering exceptional results—on time, on budget, and built to last.
